Subject: Redd Counts for Wenatchee Area Rivers, 2000.

The following table is a summary of redd counts for the Wenatchee area rivers for spring and summer chinook, 2000. Includes the Methow River, Lost River, Chewuch River, Twisp River, Entiat River and the Wenatchee River. The purpose of this table is to incorporate data that has not been summarized yet into StreamNet to provide information on fisheries in a timely manner and a known location.

Attach: Table 1

Table 1. Wenatchee area Rivers Redd Counts, 2000.

Spring Chinook
